We never imitate - we helped start the Fresh Mex wave in Australia with the FIRST Gourmet Burrito and are an established Melbourne favourite for our authenticity and great taste.

Our reputation is one we are proud of: 25 years in California before arriving in Australia. Millions of burritos later, we still have a commitment to the fresh way of cooking Mexican that has set us apart. Whether you are looking for something traditional, vegetarian, or gluten free, our diverse menu guarantees that there will be a unique choice for everyone.

**Healthier - Tastier - Fresher - Better...** just five-star cooking with the best ingredients around, made your way. Try our award-winning Burritos – one bite and you'll understand why High Tech Burrito really is a better way to eat fresh.

We know the best burritos and tacos are the ones custom made to your taste. Decide if you feel like beef, chicken, pork, seafood, or vegan/vegetarian. Then make your choice from our extensive menu of original gourmet burritos. One of our cooks will grill or sauté your selection and season it with our fresh made salsas and unique sauces.

You might prefer to design your own burrito. Choose your meat or vegan/vegetarian option. Then select your favourite tortilla, type of beans, rice and any of our fresh homemade salsas. Choose cilantro, fresh juicy tomatoes, or dig into our own chunky guacamole and much, much more. If you're really hungry go for the "Godzilla": the burrito with everything! We also have authentic tacos, quesadillas, salads, and nachos to suit everyone's taste and appetite.

So watch, listen, and smell the flavours of fresh food being cooked. Enjoy...it's for you.
